

HP Helion OpenStack Roadshow

November 14, 2014 - HPI Potsdam - 15:00

Curious about OpenStack? Want to know what all the buzz is about?

Love to code? Ready to contribute?

Fresh from the OpenStack Summit in Paris we'll bring you the following Speakers right to you:

- Chris Cannon, HP, Senior Technical Evangelist HP Helion, USA
- Michael Aday, HP, Director Converged Cloud, USA
- Prof. Dr. Andreas Polze, Hasso Plattner Institut, Fachgebiet Betriebssysteme und Middleware

Agenda

15:00 - 15:15	Welcome
15:15 - 16:00	HP Helion portfolio and global architecture
16:00 - 16:45	Discussion of currently available distributions
16:45 - 17:45	Break
17:00 - 17:15	Latest announcements from OpenStack Summit Paris
17:15 - 18:15	Architectural walkthrough of Helion OpenStack – discussing HP, OpenStack, and open source components and their relationships
18:15 - 19:00	Installation and administration of HP Helion OpenStack Community edition
19:00 -	Question & Answers - Networking - Wrap-Up

We hope to see you in Potsdam!
